compress??

Diagram illustrating the relationship between the number of blocks in different configurations:

- A 2x2 grid of blocks is labeled **X**.
- A 1x8 grid of blocks is labeled **A**.
- A 1x20 grid of blocks is shown below, representing the result of multiplying the 2x2 grid by the 1x8 grid.

```
compress(X, 'A')
```

trim??

XXXXXXXXXXXXXXXX

trim(X)

strip??

XXXXXXXXXXXXXXXXXXXX

strip(X)
